Party Quiz

Name _____

1. Record the results of your party quiz here:

2. Did the results surprise you or were they what you expected? Why?

3. Research more about your party - what are their major beliefs?

4. Identify one major party goal that you agree with and one major party goal that you disagree with. Explain.

5. Talk with a classmate who received the opposite party has a result. Discuss the major beliefs. Find one major thing you agree with and one major thing you disagree with from the opposite party.

6. Go home and talk to your parents about their party affiliation. Why have they chosen to align themselves with a particular party? OR why have they chosen to remain independent?
